

Subject: **Underwriting Continuing Education (CE) Program LAUNCHED**

**For Immediate Release – Become a Certified Professional Underwriter**

**April 12, 2021** – We are pleased to announce the official launch of the Continuing Education (CE) program for underwriting professionals. The new program is the result of some extensive collaboration with representatives from AHOU, ALU and CIU. This will become the gold standard to elevate your professionalism.

**Purpose:**

- Promote the importance of underwriting professionalism through continuing education
- Maintain value of the FALU designation by providing a re-certification of your FALU designation
- Recognize continuing education for non-FALU underwriters

**Program overview:**

- To kick start certification of our profession, the first certification cycle (in 2021) will be for one year with 20 CE credits needed for certification
- Individual underwriters will be responsible for documenting/recording their CE activities through the ALU Website. Acceptable subject matter for earning CE credits include job-related technical, leadership and business specific content.
- There is ***no cost*** to individual underwriters or their companies. Start tracking your Continuing Education today and become a Certified Professional Underwriter!
